

*House Amendment*

The House amendment would provide the Secretary with the authority to remove or demote any individual from the SES if the Secretary determines the performance of the individual warrants such removal and requires the Secretary to notify Congress within 30 days of removing or demoting a senior executive under this authority.

*Conference Agreement*

The Conference substitute generally adopts the Senate provision with an amendment to change the level of review at the MSPB. The substitute requires that the expedited review by the MSPB be conducted by an Administrative Judge at the MSPB, and if the MSPB Administrative Judge does not conclude their review within 21 days then the removal or demotion is final. The substitute does not allow for any further appeal beyond the Administrative Judge, and does not allow for a second level review by the three-person board at the MSPB. The substitute also requires that if the senior executive is removed, and then appeals VA's decision, the senior executive is not entitled to any type of pay, bonus, or benefit while appealing the decision of removal. Furthermore, the substitute requires that if a senior executive is demoted, and then appeals VA's decision, the employee may only receive any type of pay, bonus, or benefit at the rate appropriate for the position they were demoted to, and only if the individual shows up for duty, while appealing the decision of demotion. The substitute requires that the MSPB submit to Congress a plan within 14 days of enactment of how the expedited review would be implemented. The substitute also adds language to include title 38 SES equivalents under this new authority and includes "misconduct" along with "poor performance" as a reason to remove or demote a senior executive.
